

NOTICE OF A CITIZENS INFORMATIONAL WORKSHOP FOR THE PROPOSED  
REPLACEMENT AND WIDENING OF BRIDGE NOS. 114 AND 116 ON INTERSTATE  
95 (I-95) OVER THE LITTLE RIVER

TIP Project No. I-3318BB

Johnston County

The North Carolina Department of Transportation (NCDOT) will hold the above Citizens Informational Workshop on Thursday, November 17, 2011 between the hours of 5:00 pm and 7:00 pm at the Kenly American Legion Building, located at 206 W. Second Street, Kenly.

NCDOT proposes to replace and widen Bridge Nos. 114 and 116 over the Little River on I-95. The purpose of the project is to replace the functionally obsolete and structurally deficient bridges, improve or maintain cross-river mobility, and improve access to I-95. Right of way acquisition is scheduled for 2014, with construction anticipated to begin in 2015.

Citizens are invited to speak individually with NCDOT officials and to review the project area map. Aerial mapping denoting the project area will be displayed. Comments and suggestions received will be considered during the planning process. There will be no formal presentation.

For more information, contact Matthew Potter at (919) 707-6036; fax (919) 250-4224 or email: [mwpotter@ncdot.gov](mailto:mwpotter@ncdot.gov). Citizens may also write, referencing Transportation Improvement Program (TIP) project number I-3318BB, to: Matthew Potter, Project Development and Environmental Analysis, 1548 Mail Service Center, Raleigh, NC 27699-1548.

NCDOT will provide auxiliary aids and services under the Americans with Disabilities Act for disabled persons who wish to participate in this workshop. Anyone requiring special services should contact Potter as early as possible so that arrangements can be made.
